

Standard-Setting Authority for Institutions

1. The following are the types of institutions and agencies in which medical care and services may be provided under the Plan and agencies which may provide medical care services under the plan.
  - A. Hospitals
  - B. Mental Health Facilities
    - 1) ICF/MRs
    - 2) Psychiatric Hospitals
  - C. Skilled Nursing Facilities  
Nursing Facilities
  - D. Home Health Agencies
2. The types of institutions specified above are subject to the following standard-setting authority(ies):
  - A. Licensed hospitals--Licensed by the Missouri Department of Health or appropriate hospital licensing authority of another state; certified for participation in Title XVIII by HCFA.
  - B. Mental Health Facilities--Both public and private ICF/MRs are licensed by the Department of Mental Health. They are surveyed and certified for participation in Medicaid by the Department of Social Services. Both public and private psychiatric hospitals are licensed and surveyed by the Missouri Department of Health; certified for participation in Title XVIII by HCFA.
  - C. Hospital-based skilled nursing facilities (SNFs) and (NFs) nursing facilities are licensed and surveyed by the Missouri Department of Health; they are certified for participation in Title XVIII by HCFA. Free-standing SNFs and NFs are licensed, surveyed and certified for participation in Medicaid by the Missouri Department of Social Services.
  - D. Home Health Agencies--Licensed by the Missouri Department of Health; certified for participation in XVIII by HCFA.

State Plan TN# 91-58  
Supersedes TN# 73-5

Effective Date October 1, 1991  
Approval Date JAN 15 1992

D. Home Health Agencies--Licensed by the Missouri Department of Health; certified for participation in XVIII by HCFA.

3. The following citations to state legislation show (a) that the authority(ies) is a state authority, as distinguished from a local authority; and (b) that the authority(ies) is empowered and has the duty to establish and maintain standards for the types of institutions where medical care and services may be provided under the State Plan:

- A. Chapter 197, Missouri Revised Statutes establishes the hospital licensing authority of the Missouri Department of Health.
- B. Chapter 630, Missouri Revised Statutes establishes licensing standards for residential facilities and day programs for persons who are affected by a mental disorder, mental illness, mental retardation or developmental disability.
- C. Chapter 198, Missouri Revised Statutes establishes the authority of the Department of Social Services to survey and license free-standing Skilled Nursing Facilities and Nursing Facilities.
- D. Chapter 197, Missouri Revised Statutes establishes the authority of the Department of Health to license survey and license Home Health Agencies.
